

Divisions over Trade Policy and Goals

However, there were differences over the goals of trade policy. Some argued that trade should be used to promote economic growth and development, while others argued that trade should be used to protect domestic industries and jobs.

U.S. Relations

Americans believe the U.S. should have a strong relationship with the U.S. and should be able to help the U.S. and the world. The U.S. should be able to help the U.S. and the world. The U.S. should be able to help the U.S. and the world.
